

The End User License Agreement for SkaDate Software Solution Package.

This End User License Agreement (“EULA”) is a legal agreement between an individual or a legal entity (Customer) and Skalfa, LLC (Company). The EULA is offered to you conditioned on your acceptance without modification of the terms, conditions, and notices contained herein. Your use of the Software Solution Package constitutes your agreement to all such terms, conditions, and notices.

1. MODIFICATION OF THESE TERMS OF USE BY THE COMPANY.

1.1 The Company reserves the right to change the terms, conditions, notices under which the Software Solution Package is offered, and inform the Customer beforehand the changes would come into effect, in this instance 5 business days by email. Customer shall have the right to object to any such changes, in which case this agreement shall remain as currently drafted.

1.2 The Company has the right to reassess the monthly charges associated with the support of the Software Solution Package taking into account of new modifications accrued to the package. This is arranged between the Company and the Customer beforehand.

2. NO UNLAWFUL OR PROHIBITED USE BY A CUSTOMER.

2.1 As a condition of your use of the Software Solution Package, you warrant to the Company that you will not use the Software Solution Package for any purpose that is unlawful or prohibited by these terms, conditions, and notices.

2.2 You may not use the Software Solution Package in any manner which could damage, disable, overburden, or impair the Software Solution Package or interfere with any other party's use and enjoyment of the Software Solution Package.

2.3 If you install additional copies, even if such additional copies are located on the same domain and/ or the same public IP, such usage is prohibited unless additional licenses are purchased. Additional licenses are not required for testing or backup installations.

2.4 This license prohibits selling, licensing, or otherwise distributing the source code of the script contained in Software Solution Package, either in full or any subpart thereof or as part of another program that you either sell, license, or otherwise distribute via any method.

3. THE CUSTOMER'S RIGHTS.

3.1 You are granted a single, non-exclusive license to install and use one copy of the Software Solution Package on a single public domain name or public IP address.

3.2 You own the rights to advertise or offer, to sell or buy any goods or services for any business purpose, publish post, upload, distribute or disseminate, sell any material or information through your web site, but bear all the responsibility for it on yourself. Create and sell memberships and other materials and information posted on your website. You will have ownership rights to all information collected, obtained, created and/or stored via or in your website.

3.3. You may ask the Company to make improvements and/or changes in the Software Solution Package. This relates to Modifications. The prices and the time period depend on a complexity of a modification and should be discussed separately.

3.4 You have the right to buy and use the Company's support service. (<http://www.skadate.com/support.php>)

3.5 The Customer has right to modify the open source code of the software package to meet their needs. If changes are not made by the Company, then the company can't be held responsible for the stability and integrity of the software. The Customer understands that in case they need both they should ask the Company to modify the code.

4. LIABILITY DISCLAIMER.

4.1 The Company is not responsible for: a) uploaded files that contain viruses, corrupted files, or any other similar

software or programs that may damage the operation of Customer's server. b) conduct or forward surveys, contests, pyramid schemes on the Customer's website.
